Our Vision

The International Institute for Complementary Therapists' vision is to offer an alternative for Complementary Therapists who would like to become affiliated with an organization that supports Practitioners and Instructors in the diverse fields of Natural Health and Complementary Therapies.

Is our Membership right for you?

Unlike some Associations, the IICT tailors to natural health practitioners who practice several modalities and wish to have the benefits of membership without the necessity of joining several associations for each modality practiced.

The IICT is also instrumental in providing membership for new modalities which are presently not covered by existing Associations.

Frequently Asked Questions

Q: How much does it cost to join the IICT?

A: Full membership is \$110 P.A; Associate is \$66 P.A and Affiliate membership is \$55 P.A.

Q: What is the difference between Associate, Affiliate and Full Membership?

A: Associate membership offers a basic level of membership for qualified practitioners, yet enables applicants access to our discounted policy for practitioner insurance. Affiliate Membership offers affiliation with the IICT for practitioners who do not hold qualifications. It is a membership which is suitable for Psychics; Tarot Readers and Clairvoyants, for example where qualifications are not applicable.

Full membership offers additional member benefits over Associate and Affiliate membership and denotes a higher level of professional affiliation with the IICT. This enables you to advertise yourself as a Full Member and use our logo on your advertising and promotional materials to denote your association with the Institute. As a Full Member you also qualify for up to a 10% discount on all IICT Affiliate seminars and access to our online forum. Most people choose Full membership over Associate or Affiliate in order to boost their professional attributes in association with the IICT.
